

## TWENTIETH CENTURY CLUB.

## Two Interesting Meetings of the Club Held Since Last Report.

Since the last published report of the meetings of the Twentieth Century Club two meetings have been held. The regular meeting of March 13 was postponed (on account of Chautauqua attractions) until March 20, when the club met at the home of Mrs. W. B. Taylor.

After the regular routine of business an excellent program was introduced by Mrs. Lynch as leader, the subject being "Principal German Cities." The original papers and readings were much enjoyed.

At this meeting the club was presented with thirty-seven excellent volumes of fiction by Mrs. W. B. Goodwin, who has helped so materially in the advancement of the club work.

On Monday, March 27, the regular meeting of the Twentieth Century Club was held at the home of Mrs. W. N. Wilson. The meeting was called to order by the second vice-president, Mrs. Wilcox. The usual business was transacted, the most important and interesting being the report of the library committee, and regulations discussed regarding library. Mrs. Foster, chairman of the library committee, reported much success and cheerful donations. The committee have secured a room in the Law Exchange, and have it tastefully furnished—largely by donations. A selection of over 200 books of reference and fiction are now on the shelves.

After the business meeting was completed Mrs. Phillips, as leader, took charge, the subject for the day being "The Belgians of the Past." An interesting and instructive program, interspersed with musical selections, was carried out.

Meeting adjourned to meet April 10 at the home of Mrs. J. W. Tench.

## BIBLICAL INSTITUTE.

Meetings Will be Held in Mammoth Tent, Beginning Friday.

The citizens of Gainesville and vicinity will be given an opportunity for the next few days, or as long as the interest lasts, of hearing a series of fine Biblical lectures by some of the most impressive and most eloquent speakers of the country.

The tent will be located on the lot one block east of the postoffice, on East Union street, corner University, and a cordial invitation is extended to the public.

The object of these studies is to present Jesus Christ and Him Crucified, to exalt the Holy Scriptures as Word of the Living God, and to save the unconverted. The promoters hope to be greeted by good congregations.

The tent will be well lighted and comfortable seats will be provided.

The meetings will be held in the evening, and will begin Friday.

## The Colonel's Waterloo.

Col. John M. Fuller of Honey Grove, Texas, nearly met his Waterloo from liver and kidney trouble. In a recent letter he says: "I was nearly dead of these complaints, and although I tried my family doctor he did me no good; so I got a 50c bottle of your great Electric Bitters, which cured me. I consider them the best medicine on earth, and thank God who gave you the knowledge to make them." Sold and guaranteed to cure dyspepsia, biliousness and kidney disease by all druggists, at 50c a bottle.

## OVERWORKED

## SCHOOL CHILDREN IN GAINESVILLE.

Will Be Interested in This Incident.

Miss Effa Gould of Coldwater, Mich., writes: "I was so tired, run down and extremely nervous that I was obliged to stay out of school, and the doctor thought I would have to give up entirely, but he advised me to try the new cod liver oil preparation, Vinol. I did so, and two bottles have made a wonderful improvement. I have resumed my school work and feel strong and well now. I have the greatest confidence in Vinol and feel like recommending it to every tired-out, overworked school girl or boy, as it did so much for me."

Our local druggist, W. M. Johnson, says: "There is no doubt Vinol is the best medicine in the world for growing school girls and boys. It is not a

EFFA GOULD.

patent medicine, but a delicious cod liver oil preparation, containing in a concentrated form all the strength-giving, body-building elements of cold liver oil, but without oil or grease, and it cannot upset weakened stomachs as do old-fashioned cod liver oil and emulsions.

"Vinol contains just the elements necessary to make for each child new vitality, sound flesh and muscle tissue, strong bone structure, rich, red blood, and create strength."

"We ask every mother in Gainesville to try Vinol for their children, on our guarantee to return the money if it fails. There is also nothing equal to Vinol to create strength for old people, or people who are run down, tired and debilitated. If you try it and don't like it we will give your money back." W. M. Johnson, Druggist.

## Overdue Liner Reaches Port.

New York, March 28.—Three days behind her record time for the passage the Hamburg-American liner Patrian came in today from Hamburg with a story of extremely severe weather on the Atlantic. Constant westerly gales and had seas, varied only by periods marked an increase in the adverse conditions was, in brief, the Patrian's experience as related by her officers. One life was lost, that of a seaman, who was blown in the sea. There were three births on the trip. All the births were in the steerage.

Man Arrested for Incendiarism, New York, March 28.—After a long investigation into the incendiary fires, the police of Bayonne, N. J., have arrested James McNery, 22 years of age. The prisoner belongs to a voluntary fire company and it is alleged by the police that he admitted having started fires for the sake of fighting them. McNery has a record of 100 per cent for attendance at alarms, and for the frequency with which his fellow members reached the engine house in response to an alarm he was there with the horses hitched and ready.

## Startling Mortality.

Statistics show startling mortality from appendicitis and peritonitis. To prevent and cure these awful diseases there is just one reliable remedy, Dr. King's New Life Pills. M. Flannery, 14 Custom House Place, Chicago, says: "They have no equal for constipation and biliousness." 25c at druggists.

## COUNTERFEITERS ARRESTED.

Producing One Dollar Bills that Are Almost as Good as Genuine.

New Haven, Conn., March 28.—Two men supposed to be William Gohier and Samuel Farlow, of New York, were arrested today in a boarding house. In their rooms was found a new counterfeiting outfit which had turned out several spurious one dollar bills. The police assert, almost as good as genuine. The police believe that an entirely new counterfeiting method has been discovered, as the plan of turning out bogus bills is a departure from the engraved plate and other methods generally employed.

The plan apparently was to take a new bill of any denomination, pour a fluid said to be from Russia, over the bill, and then stamp the bill on plain sheets of specially prepared paper. After the pieces are pressed together for some time, the whole is taken off and placed on a cylinder much the same as a record is placed on a phonograph. This is followed by an electrical process that makes a perfect reproduction on the white paper and after a drying process that peels off apparently as good as the one from which the copy is made. The original bill is not spoiled and the process, it is alleged, can be repeated as many times as desired.

## Cured Consumption.

Mrs. B. W. Evans, Charwater, Kan., writes: "My husband lay sick for three months. The doctors said he had quick consumption. We procured a bottle of Ballard's Horehound Syrup, and it cured him. That was six years ago and since then we have always kept a bottle in the house. We cannot do without it. For coughs and colds it has no equal." 25c, 50c and \$1. Sold by W. M. Johnson.

## BRIDE SHOT BY HUSBAND.

They Had Separated and He Wanted Her to Return.

Jasper, Ga., March 28.—A girl bride shot to death by her husband, the slayer in flight and a posse being organized to chase the fleeing man, is the tragic story that comes from Epworth, in Fanning county.

From reliable reports it is learned that young Glazier, of Epworth, killed his wife early Saturday night, and after the shooting fled to parts unknown.

Messengers arrived shortly thereafter at Blue Ridge, informed the sheriff of Fanning of the occurrence and at last accounts the sheriff was organizing a posse to assist him in the capture of the fugitive.

Mrs. Glazier, from accounts, had separated from her husband a short time ago, and had been living since at the home of her mother, some distance from her husband's home.

Saturday night Glazier went to the house where his wife was living and asked her to return and live with him again.
